Notes

W&T = Slip next stitch purlwise; wrap yarn around slipped stitch; slip wrapped stitch back to right needle; turn work; and knit back the other direction

M1= Lift yarn between the last stitch knit and the next stitch; place on the left needle and knit

Body

Cast on 112 (124) sts using US 9 needles in Color A. Place marker and join being careful not to twist. Slip marker each round throughout pattern. Work *K1, P1* ribbing for 2 inches.

Switch to US 10 needles and continue in stockinette until the body is 13.5 (15) inches.

Set body aside and work sleeves.

Sleeves

Cast on 28 (32) sts using US 9 needles in Color A. Place marker and join being careful not to twist. [Note: The beginning of the round will eventually become the back left shoulder.]

Work *K1, P1* ribbing for 2 inches.

Switch to US 10 needles.

Continuing in stockinette, knit for 1.25 (1.5) inches. On next round, K1, M1, knit to last stitch, M1, K1. Repeat this instruction 5 times more. (40 (44) sts)

Knit even until the sleeve is 15 (16.5) inches.

Place 8 (9) underarm sts on a stitch holder or scrap yarn.

Set first sleeve aside and knit the second.

Yoke

Using US 10 needles and Color A, join body and sleeves as follows: Place the first 8 (9) body sts on a stitch holder or scrap yarn. Pick up the first sleeve and knit around the live stitches to join it to the body. Continue knitting across the body for 48 (53) sts. Place the next 8 (9) body sts on a stitch holder or scrap yarn. Pick up the second sleeve and knit around the live stitches to join it to the body. Knit remaining body sts (48 (53) sts). 160 (176) sts remain, not including sts on holders.

Switch to US 10.5 needles and work through fairisle chart.

Neck

When fairisle chart is complete, switch back to US 10 needles and Color A.

Beginning at marker, *K2tog, K2tog, K1*. Repeat to end of round. 48 (54) sts
